What is the municipality/city known for?

Municipality of Apatin is located in the northwest of Vojvodina (Western Backa County), along the left bank of the Danube river. Tourist attractions of entire region entail rich fishing waters of the Danube River and the famous hunting grounds of deer and other wildlife. Road infrastructure extending across the fields, forests and wetlands are an ideal cycling route. The Danube in this area offers some of the most beautiful beaches for swimming and water sports in the summer. Boaters can use modern marina with all facilities. The municipality is famous for its thermal springs and one of the most famous spas (Junakovic) is located on its territory.
