About ALDA

ALDA is a non-governmental organisation dedicated to the promotion of good governance and citizen participation at the local level. ALDA in particular focuses on activities that facilitate cooperation between local authorities and civil society. It was established in 1999 at the initiative of the Council of Europe's Congress of Local and Regional Authorities to coordinate and support a network of Local Democracy Agencies, which was established in the early 1990s. ALDA is now one of the largest NGOs in the field of cooperation between local authorities and non-state actors engaged in promotion of local democracy and active citizenship.
