

International & European Development Agendas:  
**Subsidiarity, Efficiency, Accountability and Citizenship**  
-  
***Time for an active role of regional and local authorities***

9<sup>th</sup> December 2014

9.30 – 14.00

Basque Government Delegation to the European Union  
27, Rue des Deux Eglises- 1000 Brussels

The **objectives** of the seminar are:

- *To widely raise awareness of the European and international agendas and issues at stake, especially coming into the European Year of Development 2015;*
- *to strengthen the role of regional and local authorities in enhancing the active involvement and participation of citizens in policy making and implementation;*
- *to boost innovative, multi-level and more effective alliances and partnerships between regional and local authorities and civil society organizations;*
- *and to bring to the European and international debate those elements of particular added value of regional and local authorities, such as their proximity to the needs of citizens, their efficiency and their instruments and indicators for accountability.*
