14.30 LUNCH

The **Eastern Partnership Civil Society Forum** has been established in 2009 following the Prague Summit launching the Eastern Partnership. **CSF** activities are financed by the European Commission. The **CSF** aims to support the further development of civil society organisations and promote contacts between them as well as facilitate their dialogue with public authorities.

The **CSF** is an integral part of the Eastern Partnership, which forms the Eastern dimension of the European Neighbourhood Policy. The **EaP** addresses Armenia, Azerbaijan, Belarus, Georgia, Republic of Moldova and Ukraine. The goals of the **EaP** are: promoting democracy, good governance and stability as well as bringing Partner countries closer to the EU through concluding association agreements and establishing deep and comprehensive free trade areas.
