

Youth in action programme – action 4.6 – “Youth support system” Partnership

Reference: EACEA /16/10

Deadline: 08/10/2010

Deadline for the expression of interest: 8th of September 2010

Objectives: to support partnership between the EC and regions, municipalities, NGOs whose aim is to develop or reinforce their strategies in the field of non-formal learning and youth (to tackle with school failure, youth unemployment, social exclusion waste of leisure time etc.). The priorities are: participation of young people, cultural diversity, European citizenship and inclusion of young people with fewer opportunities.

Activities: the proposal must combine one or more of the following activities, *involving at least 2 Programme Countries* (with the exception of National Youth initiatives):

Trans-national Youth Exchanges: a group of young people from different countries will meet and learn from each other, building awareness of the common European belonging;

National or Trans-national Youth Initiative: that means to give to young people the possibility to develop their own projects;

European Voluntary Service;

Training and Networking Activities: to promote exchanges, cooperation, training and capacity building in the field of youth work.

Programme Countries: regional/local public bodie EU, NGOs, Norway, Iceland, Liechtenstein and Turkey.
