

ACRO, Active Creative And Reforming Organisation
Akropoleos, Argos Orestiko
Kastoria GR – Greece

acro.ngo@gmail.com

The aim A.C.R.O.NGO as outlined in our mission statement are:

To generate and promote the role of civil society and new forms of participation

To advance issues regarding youth and the promotion of their involvement in the public sphere

To engage people in our area in dealing with problems such as drug abuse, environment protection ect

To promote volunteerism, and the idea of participation

To combat social, economical, exclusion,

Empowering community based organisations (CBOs) and the people in rural communities in our area

To design new and interesting ways of education that encourage a shared learning experience.

To create an effective forum for dialogue between active citizenship and political leadership.

To foster European idea and identity through active participation
