
EUROPEAN PROJECT MANAGEMENT COURSE

3-DAY TAILOR-MADE TRAINING

PRESENTATION

ALDA+ is currently offering a training course which will provide the participants with all the necessary information and tools to make their first step towards developing a project in the EU! The course will take into consideration both the current programming period of 2014-2020 and the forthcoming multiannual programs 2021-2027. Thanks to the expertise of ALDA and of our trainers, you will get to know all the important steps relating to EU Project Management.

AIMS

Acquire the tools for successfully carrying on a project proposal:

- formulating a draft of the project
- identifying the most appropriate forms of access to community funds
- locating the right partners for your project
- following up on the application procedures
- taking action and transforming your idea into a successful project.

TARGET GROUPS

The training is addressed to whoever wants to learn and/or improve his competences regarding the EU project development and funds.

Therefore, the course is suitable both for associations and local authorities' representatives, and in general, for all EU multiannual programme seekers.

METHODOLOGY

All classes are divided into face-to-face theoretical lessons and practical exercises throughout 3 days.

In order to make the training as effective and dynamic as possible and to take the most out of it, each group will consist of up to **20 participants**.

The course can be delivered in:
