

MIND INCLUSION 2.0

Are you managing a bar,
library, park, shop or
other public places?

This is for you!
**Let's spread the seed of
solidarity and make our
society more inclusive
together!**

We're explaining to you how!

Funded by the European Union, the Mind Inclusion 2.0 project aims at finding sustainable, inclusive and innovative solutions that allow people with disabilities to participate in social life. An application was developed to help them to find and reach freely different spots/places in a city and enjoy services offered.
