ALDA NEWSLETTER JULY 2016

THERE ARE NO ALTERNATIVES TO THE EUROPEAN PROJECT!

We need to work together for a political relaunch of our common future. Brexit day is a sad day for the European Union. It marks the start of a period of uncertainty for the EU, as well as for the United Kingdom.

EUROSCEPTICISM? GIVE US YOUR OPINION AND FILL IN THE SURVEY!

In recent times, there have been increasing concerns, criticism and opposition to the integration process within the European Union. Events like the alarming rates of citizens' unemployment, the refugee crisis and terrorism have led to increased fragmentation, growing nationalistic ideas and pessimism about the EU.
