WE-NET - SUCCESSFUL LOCAL SOLUTIONS TO BUILD SUSTAINABLE COMMUNITIES

What if on 2 August you had already spent all your income for 2017? This is what happened on this day – we had consumed more natural resources than what our planet will be able to regenerate during the whole year. There are a million things we can do to build more sustainable communities – watch the video of the project WE-NET and get inspired by concrete ideas!

The project created a platform for both public authorities and citizens to have their say, share innovative ideas, and get inspired by their peers on the circular economy model.
