EUROPEAN DECENTRALISED COOPERATION IN THE SPOTLIGHT AT COR JOIN THE EVENT ON 5TH FEBRUARY

"Working with communities, in a long term participative and local approach, decentralised cooperation has a great power for change and for reaching and impacting on citizens and institutions. The fact that – sometimes – it cannot reach the results expected is not due to the fact that the methods is wrong per se but it is due to the fact that it remains often underfunded and with not enough support, including the political one, in the medium and long term."
