Citizens, Equality, Rights and Values programme

Respond Locally to Global Issues - Call for proposal for local actions on Sustainability

ALDA received many interesting and qualitative applications. After the evaluation carried out by an appointed **Evaluation Committee (EC)**, 15 organisations from 8 different countries were selected.

These organisations will implement different strategies at local level targeting different vulnerable groups in areas such as: education, health, climate action, gender equality among others.

The 15 beneficiaries of the regranting programme are:
